## Same-Day Surgery 1990 Index

---

### **Abdominal surgery**

laser laparoscopic cholecystectomy  
cuts costs, FEB:24  
using laser and laparoscope, APR:51

### **Anesthesia**

for female sterilization, FEB:17  
propofol (Diprivan) offers  
advantages, JAN:1  
risks increase for gum-chewing  
patients, DEC:167

### **Antiemetics**

new drug reduces nausea, DEC:164

### **Catheterization**

study shows few complications,  
DEC:164

### **Coding**

outpatient PPS deadline nears, SEP:117  
requesting new CPT code, MAY:70

### **Computerization**

gives anesthesiologists more time for  
patients, DEC:166  
outpatient PPS software introduced,  
JAN:5

### **Data sets**

report on ambulatory health care  
data, JUN:86

### **Discharge criteria**

documentation cuts recovery time,  
OCT:140

### **Endoscopy**

with lasers in nasal surgery, JUN:77

### **Expansion**

ASC growth necessitates more  
space, NOV:150  
solving space shortages, NOV:145

### **Federal studies**

outpatient PPS deadline nears, SEP:117  
panel probes cataract surgery  
abuses, AUG:101  
quality of outpatient services  
probed, JUN:73

### **Finances**

pharmacy satellite benefits ASC, FEB:21  
risk retention malpractice insurance,  
JUL:98  
success depends on satisfied  
customers, JUN:81  
use of cost/benefit analysis, APR:57

### **Freestanding centers**

ASCs in bill to regulate QA, JUL:89  
continue to gain ground, SEP:127

expanding to multispecialty, JUN:80  
growth necessitates expansion,  
NOV:150  
opening a single-specialty facility,  
JUN:80  
to thrive in 1990s, APR:59

### **Geriatric care**

outpatient cardiac surgery, AUG:114  
preoperative assessments crucial,  
MAY:61

### **Guest Columns**

follow guidelines in granting  
privileges, JUL:94  
physician 'superstars' offer  
advantages, DEC:162  
regulatory terminology confusing,  
JUN:83

### **Health Care Financing Administration (HCFA)**

IOL payment rate controversy, OCT:134  
outpatient PPS deadline nears, SEP:117  
progress on outpatient PPS, JAN:5  
surgery centers cope with payment  
rates, APR:45  
to test cataract surgery PPOs, AUG:105

### **HIV infection**

infrequent occurrence after  
needlestick, FEB:28

### **Home health care**

boosts surgery center's services,  
MAY:71  
nurse provides postop ophthalmic  
care, FEB:25

### **Hospital admission**

study cites causative factors, FEB:27  
using centralized scheduling, OCT:136

### **Infection control**

hepatitis-B vaccine programs, OCT:139  
immunize employees for flu season,  
NOV:155  
program must be adequate, OCT:138

### **Intraocular lenses (IOLs)**

controversy over payment rate,  
OCT:134, 135

### **Job market**

nurses in command, DEC:157

### **Joint Commission on Accreditation of Healthcare Organizations (JCAHO)**

evaluation form helps nurses  
comply, APR:54

### **Laparoscopy**

combined with laser for abdominal  
surgery, APR:51  
laser laparoscopic cholecystectomy  
cuts costs, FEB:24

### **Laser surgery**

ASPRS warns of laser claims,  
OCT:142  
computerized scanning device,  
AUG:109  
encouraging use of laser, JUL:96  
eye protection essential, AUG:115  
for automated percutaneous lumbar  
discectomy, APR:53  
laser laparoscopic cholecystectomy  
cuts costs, FEB:24  
procedure to correct myopia  
studied, APR:50  
with endoscope for nasal surgery,  
JUN:77  
with laparoscope for abdominal  
surgery, APR:51

### **Legislation**

ASCs in bill to regulate QA, JUL:89  
cosmetic surgery legislation  
proposed, JUN:73  
medical specialty boards escape  
regulation, JAN:11

### **Malpractice**

risk retention insurance, JUL:98

### **Management/marketing**

center caters to office staff, APR:59  
downsizing to increase efficiency,  
MAR:37  
expanding to multispecialty, JUN:80  
form covers patient care, AUG:106  
freestanding centers gain ground,  
SEP:127  
granting surgical privileges, JUL:94  
increasing physician use, OCT:129  
nurses' notes need more attention,  
JAN:8  
opening a single-specialty facility,  
JUN:80  
preparing for increasing demand,  
APR:58  
risk retention malpractice insurance,  
JUL:98  
success depends on satisfied  
customers, JUN:81  
use of cost/benefit analysis, APR:57

### **Medicare**

Congress probes cataract surgery  
abuses, AUG:101

HCFA to test cataract surgery PPOs, AUG:105  
lawsuit charges government violated statute, APR:48  
progress on outpatient PPS, JAN:5  
regulatory terminology confusing, JUN:83  
surgery centers cope with payment rates, APR:45

#### **Metamedicine**

helps patients overcome fears, FEB:22

#### **Nursing staff**

certification provides competitive edge, JUN:84  
flexibility key to recruitment, retention, NOV:153  
form covers patient care, AUG:106  
in command of job market, DEC:157  
nurses' notes need more attention, JAN:8  
quality assurance monitoring, MAR:42  
safety guidelines issued for OR, JUN:78  
use evaluation form for JCAHO compliance, APR:54

#### **Ophthalmic procedures**

cataract surgery PPOs to be tested, AUG:105  
Congress studies cataract surgery abuses, AUG:101  
laser surgery for myopia studied, APR:50  
nurse provides postop home care, FEB:25  
photorefractive keratectomy studied, APR:50  
radial keratotomy safe but unpredictable, JUL:92  
sutureless cataract surgery, SEP:121

#### **Orthopedic procedures**

automated percutaneous lumbar discectomy with laser, APR:53

#### **Patient education**

making a customized videotape, MAY:69  
preop teaching programs for children, MAR:29

#### **Patient evaluation**

form covers patient care, AUG:106  
form documents JCAHO compliance, APR:54  
full-body assessments, SEP:125

metamedicine reduces patient stress, FEB:22  
nurses' notes need more attention, JAN:8

#### **Patient stress**

effects of music on perioperative patients, MAR:38  
information calms frightened children, AUG:111  
metamedicine helps overcome fears, FEB:22  
study identifies predictors of preop anxiety, JUN:87

#### **Payment rates**

global rates tested for cataract surgery, AUG:105  
lawsuit charges government violated statute, APR:48  
outpatient PPS deadline nears, SEP:117  
progress on outpatient PPS, JAN:5  
specialty hospitals get extension, NOV:152  
surgery centers set coping strategies, APR:45

#### **Pediatric care**

information calms frightened children, AUG:111  
preoperative screening for children, MAY:63  
preoperative teaching programs, MAR:29

#### **Plastic surgery**

cosmetic surgery legislation proposed, JUN:73  
earlobe procedures, AUG:110  
laser scanning device for skin treatments, AUG:109  
nasal surgery combines laser and endoscope, JUN:77

#### **Postoperative care**

checklist serves as QA tool, MAY:64  
nurse provides ophthalmic home care, FEB:25  
nurses' notes need more attention, JAN:8  
scheduling solves postop predicament, NOV:149  
smoking increases recovery time, DEC:167

#### **Preadmission programs**

RNs find innovative methods, MAR:32

#### **Preoperative care**

assessments crucial for elderly, MAY:61

checklist serves as QA tool, MAY:64  
full-body assessments, SEP:125  
RNs' methods enhance preadmissions, MAR:32  
screening for children, MAY:63  
scheduling solves preop predicament, NOV:149  
study probes anxiety levels, JUN:87  
teaching programs for children, MAR:29

#### **Quality assurance**

ASCs in bill to regulate QA, JUL:89  
checklist eases scope room monitoring, MAR:40  
documentation form is QA tool, MAY:64  
focus on nursing care, MAR:42  
'opinionaire' is QA tool, AUG:112

#### **Reader Questions**

how to request new CPT code, MAY:70

#### **Recovery care centers**

concept gains ASC, hospital interest, SEP:123

#### **Risk management**

checklist eases scope room monitoring, MAR:40

#### **Salary Survey**

results of, DEC:157

#### **Scheduling**

centralized method eases admissions, OCT:136  
delays for menstruating women, DEC:168  
late surgeries, DEC:160

#### **Space**

expanding SDS facilities, NOV:145

#### **Surgeons**

follow guidelines in granting privileges, JUL:94  
increasing physician use of center, OCT:129  
physician 'superstars' offer advantages, DEC:162  
training students in SDS settings, JAN:10  
use resectoscope for uterine fibroids, NOV:151

#### **Surgical sterilization**

minilaparotomy vs. laparoscopy, FEB:19  
no-scalpel vasectomy, MAY:67  
type of anesthesia debated, FEB:17
